Casa de los Angeles, founded in 2000 as a safe haven for single moms, serves some of the San Miguel de Allende community's poorest children and their families. **Casa de los Angeles** provides daycare, educational grants, medical services, food, emergency shelter, and temporary housing to 100+ infants and toddlers in the San Miguel community. The success of the center lies in the palpable passion of its founder, **Donna Quatham**, and the dedicated people drawn by Donna's deep, abiding love for every family, mother, child, volunteer, and supporter. To date, over 1,800 volunteers from 34 countries have supported the organization in multiple roles. **Casa de los Angeles receives NO government support and owes its continued existence and success to the support of OUR committed community.** All net proceeds of the Magic Town Music Festival are donated to **Casa de los Angeles**, a 501 (c) 3 non-profit organization.

Magic Town Music Festival is a community collaboration of friends and music-lovers in Mexico and the United States (through the Love Life Foundation). The festival brings a unique, world-class music lineup to San Miguel de Allende and a quality and diversity of music "not often heard" in this part of the world! **More than ever, this collaboration in the spirit of international fellowship, respect, and trust reminds us that our cultures can do great things TOGETHER: we will NOT be divided!**
